5. **Motion submitted under Procedure Rule 10 of the Council's Constitution**

By Councillor Julie Jones-Evans

That Council:

- i) Welcomes the decision to allocate funding of £177,000 from the Economic Improvement Fund to 77 projects across the Island, from 28 out of the 33 town and parish councils.
- ii) Welcomes the further opportunity which has been provided to Ventnor Town Council and Gurnard Parish Council to offer alternative proposals, following the decision to not approve their bids, and hopes that they bring forward suitable proposals.
- iii) Notes that three parish councils did not bid for monies from the fund, and expresses particular disappointment that no proposals were put forward for our County Town.
- iv) Agrees that Newport, Calbourne and Fishbourne (and their residents and businesses) should not miss out on benefiting from this fund, and the economic vitality of our County Town is of particular interest to the local authority with its responsibility for the Island as a whole.
- v) Therefore recommends to Cabinet that the provisional sums allocated to these three areas (£36,425, £1,803 and £1,879 respectively), as agreed by Cabinet on 13 December 2011, be made available to support projects in those areas – without the requirement for match funding from the parish councils.
- vi) Invites the relevant local members to submit proposals by 13 April 2012 to the same panel to consider and determine - in line with the criteria used previously (except for the requirement for match funding) - subject to this revised approach being agreed by Cabinet Member delegated decision prior to the final award of funding.
